

KIT pour tendeurs de chaîne / KIT for chain tighteners
Molette en polyéthylène – Type: **RB** / Polyethylene wheel set – Type: **RB**

MATERIAUX Polyéthylène à haute densité moléculaire.
Bague et boulonnerie en acier.

UTILISATION Molette folle sur bague.

Vitesse de travail $\leq 30\text{m/min}$.

Température de fonctionnement $\leq 70^\circ\text{C}$.

MATERIALS Polyethylene high molecular density. Bush, bolts and nuts made of steel.

USE Idle wheel on the pin.

Operating speed $\leq 30\text{m/min}$.

Operating temperature $\leq 70^\circ\text{C}$.
