### Home sweet home: HANNOVER MESSE

It becomes a tradition, an event to which **TC2** is getting ready to take part for 11<sup>th</sup> times: Hannover Messe.

For 22 years **Tecnidea Cidue** exhibits at the most important in the world biennial on the power transmission.

**Hall 25 A33** has become the historical expository place for TC2 where we are carrying for years new ideas and innovative solutions in the mechanical fields.

**Hannover Messe** is not only a chance for us to offer unpublished technical applications, but it is also the opportunity to meet all its trusty distributors, who believe and encourage for years the Italian technology of TC2.

Thanks to the high quality of its products and the excellent work of its partners, Tecnidea Cidue has obtained to create a worldwide net of sale that covers by now almost all the globe.

"THE PLACE TO BE"
